About International Environmental Solutions:

International Environmental Solutions, INC (IES) is a Florida based corporation that was founded in 1991 to manufacture, distribute and market the "Instant-Off™" Water Saver; a mechanical valve that eliminates wasted water at faucets. Instant-Off™ is now sold in 1,950 Home Depot stores throughout the United States. IES has sold more than 700,000 units since it began operations. The Instant-Off™ has the fastest pay back of any water conversation device. More than 25,000 restaurants currently use the Instant-Off™ to reduce cross-contamination and eliminate wasted water at hand-wash sinks in the United States. The Instant-Off™ is the only device available that can stop a drippy faucet in 2 minutes. For additional information, please visit www.instant-off.com
